Hamp's Seed's 100% all natural body products enhance beauty and contribute to overall health. Hamp's Seed uses only raw, unrefined, non-processed shea butter and coconut oil. Shea butter contains natural vitamins and deeply moisturizes the skin. Coconut oil moisturizes and smoothes the skin and seals in moisture. These are artfully mixed with other natural and essential oils to create a variety of fragrant, moisturizing body products that contain no toxic chemical preservatives, no artificial fragrances, and no artificial coloring. LIVE BEAUTIFUL AND HEALTHY!
